WELCOME LETTER

Dear colleagues and partners,

On behalf of the ENCALs Executive Board and the Organizing Committee ENCALs Madrid 2026, it is our pleasure to invite you to participate in the Annual Meeting of the European Network for the Cure of ALS, which will take place in Madrid, from June 23rd to 26th, 2026, at the Palacio Municipal de Congresos.

ENCALS is the leading European forum for researchers, clinicians, and professionals dedicated to the study of amyotrophic lateral sclerosis (ALS) and other motor neuron diseases. Each year, this meeting brings together the most active and innovative teams in the field to share scientific discoveries, foster collaboration, and accelerate the translation of knowledge into meaningful therapeutic advances.

Madrid will host more than 1.000 researchers, neurologists, clinical teams and healthcare professionals during ENCALs 2026, and they will present the latest progress in genetics, molecular biology, biomarkers, neuroimaging, clinical trials, technological innovation, and multidisciplinary care.

We would like to invite your company to become a partner of ENCALs 2026. Your support is essential to make this event possible, and your participation will directly contribute to both scientific progress and social impact in the fight against ALS.

By participating in ENCALs Madrid 2026, your company will have the opportunity to connect with Europe's leading ALS researchers and clinical experts, strengthen your corporate identity as an organization committed to global health and biomedical research, and build alliances with international research networking groups and academic professionals and institutions.

We would be delighted to count on your support and to work together to make ENCALs 2026 in Madrid a scientific and human success.

Please feel free to contact us if you would like further information or to arrange a meeting to discuss the potential partnership opportunities.

With our warmest regards,

Leonard van den Berg and Orla Hardiman

on behalf of the ENCALs Executive Committee

Alberto García Redondo and Jesús Esteban Pérez

on behalf of the Organizing Committee ENCALs Madrid 2026

VENUE

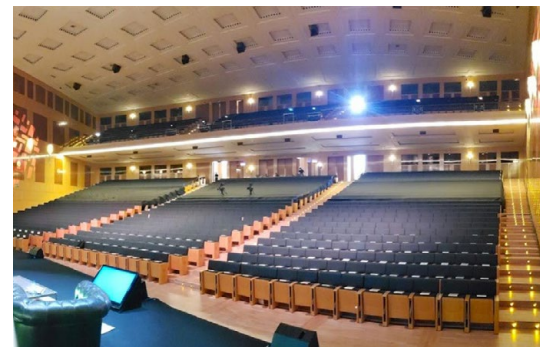

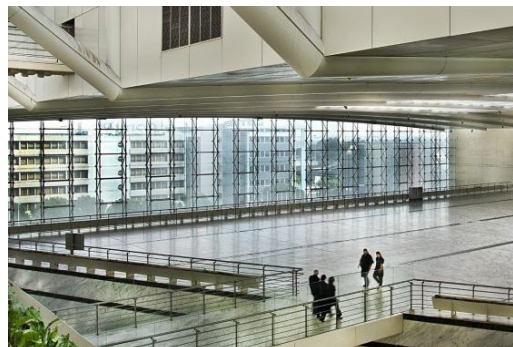

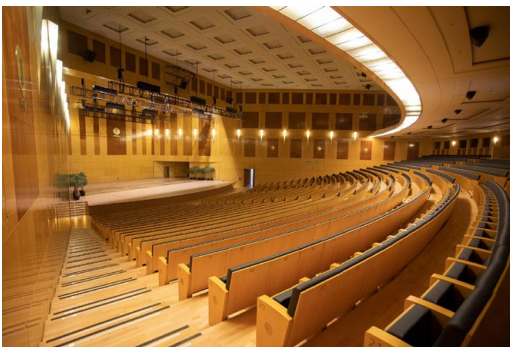

PALACIO MUNICIPAL DE CONGRESOS DE MADRID (PALACIO MUNICIPAL - IFEMA MADRID)

Av. Capital de España, 7, 28042 Madrid (Spain)

[Website - click here](#)

The IFEMA Palacio Municipal in Madrid, Spain, is a modern and versatile convention center known for hosting a wide range of events, conferences, and exhibitions. Conveniently located near the city center, it offers state-of-the-art facilities and easy access to transportation, making it a prime venue for international gatherings.
